LOT 802 - 2023 Orange Line TH70-18BK4AR2B, VIN: 7RD1U2225R3342444

Description

This trailer is 18 feet long, 83" wide, and has a 7,000-lb GVWR rating. The 18-foot model has an empty weight of 1,910 lbs and a 5,090-lb payload capacity. The frame is constructed from 5" x 3" x 5/16" angle iron with 3" x 2" x 3/16" angle cross members. It features a square tubing front stop rail.

The trailer connects via an adjustable 2" forged coupler and includes a 2,000 lb top wind set-back jack with a removable sand foot. Removable 9" x 72" double-broke diamond plate steel fenders protect the wheels, while the premium 3,500 lb axles feature quick-lubricating hubs with forward self-adjusting electric brakes on all wheels. The multi-leaf spring suspension includes an equalizer system, and the trailer rolls on ST205/75R-15 Load Range C tires mounted on 15" x 5" black mod wheels with a 5 on 5 bolt pattern.

The deck is made from 2" treated pine, and the trailer uses recessed LED DOT-compliant stop, tail, turn, and clearance lights connected through a 7-way RV-style plug with sealed modular wiring harness. For loading convenience, the trailer includes 4' slide-in ramps stored in side pockets and eight tie-down pockets along the sides for cargo control.
