LOT 803 - 2023 Big Tex 16TL-22BK Tilt Deck Trailer, VIN: 16V1C2725R3298916, Salvage Title

Description

This trailer has dual 8,000 lb premium axles with oil bath hubs, torsion suspension, and electric brakes on both axles, though this specific unit has axle issues. It features an 8" channel frame with 3" channel cross-members on 16" centers, an adjustable 2-5/16" Demco EZ Latch coupler, and a 12,000 lb drop-leg jack. Standard equipment includes treated pine flooring, removable 14-gauge diamond plate fenders, stake pockets, 7-way RV plug, LED lighting, and ST215/75 R-17.5 Load Range H tires on 8-bolt wheels.

The tilt deck measures 75" wide and has a 1/4" diamond plate knife edge. It operates hydraulically with valve control and EZ pedal locking at a 14-degree angle. The stationary deck area is 6' x 83" on 22' models. The trailer includes rub rails, six 5/8" D-rings, a complete breakaway system, and a front spare mount. The professional finish is black standard, with multiple color options available.
