LOT 809 - 2015 Big Tex 10SR-12XLBK7SIR Dump Trailer, VIN: 16VDX1227G5052941, Salvage Title

Description

The 10SR from Big Tex Trailers is a medium-duty dump trailer with a straight-ram hydraulic lifting system for hauling dirt, gravel, mulch, and other light loads. This specific unit has a twisted frame. It features a self-contained electric/hydraulic single-cylinder lift, lockable pump and battery box, and powder-coated finish.

The dump bed has 24" 12-gauge sides, a 10-gauge floor, a combo three-way rear gate, stake pockets, and four 1/2" D-rings for cargo control. It includes a fully formed tarp shroud, J-hooks for tie-downs, and a 2" square tubing top rail. The trailer rides on Dexter brand cambered axles with EZ Lube hubs, Nev-R-Adjust electric brakes, diamond plate fenders, LED lighting, a spare tire mount, a complete break-away system, and radial tires.
