LOT 823 - 2025 B Wise DT14 Dump Trailer, VIN: 58CB1DC26SC005064

Description

The DT14 low-profile dump trailer measures 81.5" wide by 14' long and has a 14,000 lb GVWR. It features an 8" channel main frame with a formed bed and a 12-gauge floor. The trailer has a 2-5/16" adjustable coupler and 12K drop leg jack for support.

The dumping system uses twin telescopic cylinders and a combo gate that functions as both a tailgate and spreader with rings. The trailer rides on a 7K stainless steel tandem axle setup with electric brakes and ST235/80R16 MOD tires. It includes a deep-cycle battery for the hydraulic system and features a black 76A floor finish.
